Peace born as a saviour
Essence of the Father
Messiah in the flesh you walked the earth
Mercy signs and wonders
Gift of life to others
As love declared your heart to humbly serve

To you we sing, to you we sing

To you we sing, to you we sing
 C D G
Our voices rise, to you we sing

Verse 3

Truth wept in the garden
Broken for our pardon
Your life a sacrifice laid down for us
Shamed for our salvation
You suffered in the Passion
As love cried it is finished from the cross

Verse 4

Hope sealed in the darkness
Satisfying promise
For death could not restrain Christ glorified
NOW Rising undefeated
Victory completed
Your love has bought us resurrection life
Your love has bought us resurrection life
