YOUTH

SUMMER STRATEGY JUNE - SEPT 2020

our vision for youth is that all of our teenagers will be...

POSITIVE

that God loves and knows them and that He has a good plan and purpose for their lives

PASSIONATE

for Jesus Christ, for His church, for those in need and those who need Jesus

PREPARED

for life, for relationships, for service and for leadership

DURING THIS TIME OF SOCIAL-DISTANCING

we are committed to supporting and caring for our youth as best as possible by...

IGNITING

we remain committed to helping them grow in passion for Jesus, during this time we want to equip them to 'do the stuff' and build God's kingdom here on earth

INVESTING

we will continue to invest in each young person's life by providing each of them an opportunity to "check-in" with their 'pod' leader, and other challenges and games through our social media channels

INSPIRING

Challenging them to take faith filled risks by praying for their friends and neighbours and sharing their miracle stories with those closest to them.

BEGINNING 28TH JUNE WE WILL LAUNCH 'SUMMER YOUTH ONLINE'

We appreciate that due to the unknown nature of this season, our plans need to be flexible. The safety and well-being of all our youth and families is a priority; Therefore, between June-September, we are committed to the following:

SOCIAL-DISTANCING ONLINE YOUTH

Over the summer we will continue to connect with young people online.

At this stage we have no plans to meet "in-person".

OUTDOORS

Once we enter "phase 2", we will seek advice from our local authority to assess whether it is safe to host some pods outside.

CELEBRATION

We commit to regular celebration events to help nurture our youth community and release joy!

TIME CHANGES

Due to current circumstances, youth ministry may need to meet at different times to "normal". We commit to clearly communicating this when the time comes.

YOUTH-SUPPORT

We are committed to supporting all our young people at this time. Therefore we will continue to be available via phone | zoom | email for all our young people.
