

Lord Jesus,

In the darkness of this Advent season, I proclaim that you are the light of the world. I come with a heart full of longing for more of you. In the midst of busyness, anxiety, and the distractions of this season, help me hear your voice. Awaken my heart to your goodness and love for me.

I remember this Advent that you came into this world long ago to save us, and I turn from sin and brokenness. I remember this Advent that you are with me now by your Holy Spirit and I choose to live without fear. I remember this Advent that you will come again, ruling and reigning, and I live in faith and expectation for your coming Kingdom where I will see you face to face.

Today I choose to **Hope** in your presence with me forever.

Today I choose to receive your **Peace** and offer it to others.

Today I choose to embrace your **Joy**, whatever my circumstances.

Today I choose to live in your **Love** for me, and to serve those around me.

Come Lord Jesus, Come.  
Amen.
